Contract pricing for OTR & WVTR film testing - 2009

All pricing is in USD

OTR: Can be carried out at any temperature from 23 - 40°C.
Can be carried out at any RH from 35 - 80% or dry.
Standard films or laminations: \$199.00
Films or laminations >5 mil thickness, or containing foil or metallized film: \$299.00

WVTR: Can only be carried out at 37.8°C, 90%RH.
Standard films or laminations: \$199.00
Films or laminations >5 mil thickness, or containing foil or metallized film: \$299.00

Notes:

1. Celplast Metallized Products can test film samples only. We do not have package testing capabilities.
2. Testing is guaranteed to be complete within 10 working days of receiving up to 3 samples. For more than 3 samples submitted at the same time, please contact us to work out suitable timing.
3. All sample testing carried out in duplicate, to ensure reproducibility.
4. All test results to be reported at equilibrium, up to 72 hours maximum.
5. For samples containing metallized film, pricing can be discussed on a case-by-case basis.
6. Pricing is subject to change on a quarterly basis. Please get an updated quote when you are ready to submit your order.

Please contact us if you have any questions.
